

2007-2008 Aliso Niguel Basketball Spirit Wear

For Players and Parents of the Girl's Program, we have two categories to choose from this season, "Straight from the Adidas Factory" and "Customized for Aliso Niguel Basketball!"

Parents will want to pay particular attention to a new item that is exclusive to our package this season. The parent's baseball jersey with player name and number in tackle twill lettering. All apparel should be delivered within two weeks once the order is placed. All pricing reflects your total price including tax, shipping and applicable embroidery, heat transfer or tackle twill.

Please complete and submit the order form with payment to Roy Sweet, 949.215.5813.
